

# Loud & Clear

**artnovion**

You will find in this document the retail GBP prices (including VAT) for a selection of the [Artnovion](#) product ranges. This is only a guide and is by no means extensive and we would always advise you to contact us for detailed pricing and product information.

We also offer a [Room Acoustics Analysis and Treatment service](#) and we can guide you to choose which products are best suited to your room. Once you have decided on which products you want, we will provide a quote including everything you need (panel, fixing systems, etc).

If you have the ability, why not come and experience our fully acoustically treated demo room in Edinburgh?

All the Artnovion products are available to order. Please allow between 6 and 10 weeks between order and delivery.

For more information please email [edinburgh@loud-clear.co.uk](mailto:edinburgh@loud-clear.co.uk)
