

Series 3

The Best Sounding **Wireless Speaker** in the World

INTERNAL USE ONLY

Series 3 is Linn's first fully integrated wireless speaker.

A simple, all-in-one, wireless speaker that exudes elegance in every way, fitting seamlessly into your home and enhancing everyday life with exceptional musical clarity that will surprise and delight.

Series 3 is high end in every way – in audio performance, design, appearance and simplicity of use.

Key points

Offers digital streaming via Bluetooth, WiFi and Airplay, and includes an HDMI ARC port, meeting modern connectivity expectations

- Features Linn's patented Exakt technology to deliver the same natural sound as recorded by the artist
- Simple plug and play setup which doesn't require specialist installation
- Designed to attract new customers and compete against premium mainstream brand products
- Instantly connects to a wide range of streaming services directly from a mobile device
- Can be paired with a voice assistant for voice control

Use Cases

- Single Speaker
- Stereo System
- Multiroom
